Portfolio: jonathankhobson.github.io/application-portfolios/tripsuite-product-designer

Summary

Product designer and UX researcher with work across FactorLab, Oak AI and consulting. Design operational web and mobile flows, clarify interaction states and translate research into concrete alternatives. Six years using Figma, with experience collaborating on scope and handoff with product leads and engineers. Applied-AI and instructional-design work adds attention to review, feedback and clear next steps.

Skills

Figma and prototyping · Responsive web and mobile flows · Interaction states and recovery · Information architecture · Reusable interface patterns · Visual hierarchy · Usability research · Heuristic evaluation · UX writing · Participatory workshops · AI-assisted prototyping · Design documentation and developer handoff

Experience

FactorLab

UX Designer & Researcher (Contract) | Oct 2025–Present

- Design SmartTagIt web and mobile workflows in Figma, working with the product lead and developers on interaction behavior, scope and implementation constraints.
- Design editable suggested questions, waiting feedback and distinct recovery actions for interrupted answers and lost connections in Flint.
- Organize summaries, recommendations and detail views for About Me; clarify interaction states and document Figma handoffs for engineering.

Oak AI

Lead UX Researcher | 2023–2025

- Evaluated navigation, labels, visual hierarchy and feedback in an early AI product; connected findings to concrete design recommendations.
- Developed sitemap alternatives, compared navigation labels and collaborated with the lead designer on mockups and shared header/footer refinements.
- Documented color roles and field-level error feedback, presenting visual alternatives with their rationale and remaining validation questions.

KeepMake

UX Research Consultant | Jun 2023–Present

- Use heuristic reviews, prototypes, usability work and participatory workshops to investigate friction and align clients and stakeholders on scope.

Jonathan Kyle Hobson

Applied AI, learning and collaboration

Arizona State University — Learning Innovations

AI Analyst | Feb 2024–Oct 2024

- Designed and evaluated voice and chat flows, translating learner and staff needs into conversational prototypes and findings for project leaders.
- Proposed a staged workflow for personalized learner tasks with mentor review of context and generated tasks.

Arizona State University — Knowledge Enterprise

Instructional Designer | Apr 2022–Oct 2024

- Developed digital learning materials and workshops, incorporating accessibility improvements and inclusive learning practices.

Prompt Compass

Independent Creator | 2026

- Built and released a public beta tool for structured prompt analysis, routing and version comparison.
- Developed later local regression fixtures for lost requirements and review conditions; distinguish heuristic checks from observed model behavior.

Oppia Foundation

Volunteer | Sep 2025–Present

- Currently serve as UX Research Lead. Review lesson-player interactions with designers and engineers, clarifying saved progress, exit decisions and recovery.

Education

MS User Experience (UX Research) | Arizona State University | 2024

BS Technical Communication (UX) | Arizona State University | 2023

BS Electronic Media | Northern Arizona University | 2014
